

Week 2 report project Software Engineering

1. Create login page
2. Homepage (user)
3. Schedule(user)
4. Register(user register)
5. Profile (user)
6. Admin dashboard
7. manage room (Admin can manage room)
8. View user (admin can view user register)
9. Schedule (Admin manage schedule depent on user registered) (schedule.html)

1. I create Login selection role page (login.html)

2. Homepage(user) (index.html,header.html,footer.html)

Why Attend?

Networking
Connect with researchers, professors, and industry leaders from around the world.

Innovation
Discover cutting-edge research and innovative solutions to global challenges.

Recognition
Present your work and gain recognition in your field of expertise.

Ready to Join Us?
Don't miss this opportunity to be part of the most prestigious research conference of the year.

3.user schedule (user-schedule.html)

+it just a UI I will discuss with my friend in next about this step
(just a plain after user registered chiar Admin will be send to schedule session to user)

My Schedule

Session Title	Date	Time	Status
Keynote: Future of Research	December 20, 2025	09:00 - 10:30	Confirmed
AI & Machine Learning Workshop	December 20, 2025	14:00 - 17:00	Pending

Research Conference 2025
Advancing knowledge through collaboration and innovation in research.

4. User can check session for available (conferences.html)

The screenshot shows a web browser window for 'Available Conferences - Research Conference'. The main content area displays two conference sessions:

- AI & Machine Learning Conference**
Join us for an insightful conference on AI and machine learning.
[Register](#)
- Future of Research Symposium**
Explore the latest trends in research methodologies.
[Register](#)

Below the sessions, there is a footer section with the following information:

- Research Conference 2025**
Advancing knowledge through collaboration and innovation in research.

5. Profile (profile.html)

The screenshot shows a web browser window for 'Search tabs - Research Conference'. The main content area displays the user profile for 'John Doe' (Researcher | Conference Attendee):

Profile Information

Full Name	Email
John Doe	john.doe@example.com
Institution	Department
University of Research	Computer Science
Registration Status	Conference ID
Confirmed	RC2025-00123

Registered Sessions

Keynote: Future of Research	Confirmed
AI & Machine Learning Track	Confirmed
Research Methodology Workshop	Waitlist

[View Full Schedule](#) [Edit Profile](#)

6. Admin dashboard (dashboard.html)

The screenshot shows a web browser window for 'Admin Dashboard - Research Conference'. The main content area displays the following sections:

Conference Statistics

Total Registrations: 0	Active Sessions: 0	Upcoming Sessions: 0	Confirmed Sessions: 0
------------------------	--------------------	----------------------	-----------------------

Management Tools

Session Management Create, edit, and manage conference sessions. Manage Rooms Add New Session	User Management View and manage user registrations and information. View Users	Schedule Management Manage conference schedules. Manage Schedule
---	---	---

Recent Admin Activity
No recent activity

1. manage room (Admin can manage room) (manage-rooms.html)

The screenshot shows a web browser window titled "Manage Rooms" at the URL "localhost:8081/admin/manage-rooms". The main content area displays a single room entry for "Room A" with a capacity of 100 and facilities including a projector and whiteboard. Below the table are "Edit" and "Delete" buttons. The footer contains standard conference navigation links and contact information.

2. View user (admin can view user register) (view-registrations.html)

The screenshot shows a web browser window titled "View User Registrations - Research Conference 2025" at the URL "localhost:8081/admin/view-registeredUsers". The main content area displays a table titled "Registered Users" with columns for First Name, Last Name, Email Address, Telegram Number, Conference, and Actions. The footer contains standard conference navigation links and contact information.

3. Schedule (Admin manage schedule depend on user registered) (schedule.html)

The screenshot shows a web browser window titled "Manage Schedule - Research Conference 2025" at the URL "localhost:8081/admin/schedule". The main content area displays a table titled "Manage Schedule" with columns for Session Title, Date, Time, Room, and Actions. Two sessions are listed: "Keynote: Future of Research" and "AI & Machine Learning Workshop". The footer contains standard conference navigation links and contact information.
